WALKER'S STORE

A RUG SHOW.

The new spring supply of rugs is here--in time to be taken into your consideration with the question of home furnishing and spring renewal. The entire space of Carpet store this week is to be covered with them; and this you know affords you the very best opportunity possible for view of every kind we keep. A goodly sight they are this year--handsome in coloring, excellent in design and best of all less price than you'd pay for any of equal quality elsewhere.

Many, of course, are our own importations and cannot be found outside of this store--these for their originality of beauty and pattern design, are of that high character, the searcher after ultra-elegance desires, and they illustrate what we are prepared to offer individual taste and exclusiveness. In addition to the many other kinds, is a particular showing of Botany Mills Rugs--exact imitations of Oriental gems, and in themselves make an interesting display.
